## PERFORMING COMPANY INFORMATION

### 2023-2024

Thank you for your interest in joining one of WBC's Performing Companies! As you may know, our performing companies are a wonderful way to show off the strength and technique that come from your ballet training. During Company rehearsal, students will learn choreography to be performed at local venues throughout the year. **Our Company Concert will be on March 16, 2024**, at the lovely Covey Center for the Arts in Provo. A two week local tour will precede the concert. Dancers will also perform extra pieces in the June Concert. Being a member of the Company is a great way to improve as a dancer and performer, have fun, and make life-long friendships!

#### DANCER'S COMMITMENT

##### Class Requirements to be in Company:

- All Advanced Level members must be signed up for and regularly attend at least three ballet, one jazz, and one contemporary class. More ballet, contemporary, and jazz are **STRONGLY** recommended for this level. Acro/Tumbling for Dancers would also be beneficial and fun!
- All Intermediate Level members must be signed up for and regularly attend at least three ballet, and one jazz or contemporary class. More ballet, contemporary, and jazz are **STRONGLY** recommended for this level. Acro/Tumbling for Dancers would also be beneficial and fun!
- All Foundations Level members must be signed up for and regularly attend all ballet classes for their level and at least one jazz or contemporary class. More ballet, contemporary, and jazz are **STRONGLY** recommended for this level. Acro/Tumbling for Dancers would also be beneficial and fun!
- Basics 3 Company members are required to attend all ballet classes for their level. They are also encouraged to take Jazz. Acro/Tumbling for Dancers would also be beneficial and fun!

##### Time:

- Dancers must attend all rehearsals. Companies will rehearse at least once per week. Additional rehearsals may be scheduled as needed.
- Missing more than two of any required technique classes or rehearsals may affect your involvement in performances. All class and rehearsal absences **MUST BE EXCUSED** on the company board in the lobby. (Your dancer will be given instructions for this protocol.) All class absences should be made up regardless of whether or not they are excused. Failure to make up class absences may result in removal from company dances.
- Dancers should make up their missed classes within 2 weeks. If a dancer has more than 2 absences from rehearsals or has missed more than 2 of their required company classes and not made them up, they or their parent will be required to meet with the company director to discuss a plan to make up their classes. Failure to meet and make a plan may result in the dancer being removed from company dances.
- If a dancer has a conflicting event that will require multiple absences (ex, plays, dance company performances, etc.) they will need to talk to Allison for approval **BEFORE** the event and will need to have a plan in place for making up the absences once the conflicting event has concluded.
- Absences due to injury will be handled on a case by case basis.
- Dancers will be notified of performances as early as possible. Dancers must attend all performances. If unable to attend, give adequate notice to Allee or Allison so casting can be adjusted.
- This year, we will start rehearsals for our company show immediately, to be performed locally and at the Company Concert in March.
- WBC Companies will perform extra dance(s) in the WBC Spring Concert.

They must be worn for every performance and must be in new condition.

### Working Scholarships:

Wasatch Ballet has a limited amount of scholarships available for families who would like their student to contribute to their lessons or for those who could use help in paying tuition. Those who qualify do weekly or monthly tasks at the studio in exchange for tuition credit. Tasks might include tidying the studio, deep cleaning the studio on weekends, dusting and maintaining certain areas, etc. Let us know if you'd like more info!

### Remember to take advantage of our Unlimited Dance Class Rate:

- To enable students to take as many classes as they like, we have an Unlimited Dance Class Rate which may be less expensive than paying the usual rate. This allows students to take Ballet, Jazz, Contemporary, Flexibility/Conditioning, Tumbling, Company, and lower level Ballet classes. We really encourage dancers to take ballet as often as possible! The schedule is set to enable you to attend lower level classes conveniently. Everyone can benefit from reviewing technique basics and you can take the class on Pointe (if applicable). Plus, you will improve even faster and be even stronger by dancing more times per week!
